All communications pertaining to this department must be ddressed to E. W. M. KING, Esq. Memphis, Tenn., March, 1850. As citizens of the old North State, every individual is bound to support its name, as well as its claims, in this great confederacy of the Union. The humblest of our citizens may, like Benjamin Franklin, be yet ranked among the noblest of our race, and as we are not aware of how or where the scion may be found amongst us, let us philanthropically lay the means of education upon the broad basis of "goodly numbers at low rates," and make sure of imparting the elements of sound useful intellectual culture.
